A SPECIAL CONSIGNMENT OFFERING

GOLD COINS OF THE WORLD

In this issue we offer our first consignment as well as the most valuable group of coins we have offered. Recognizing that many of our clientele are unwilling to pay the substantial premiums associated with top grade material, we offer the following average-grade gold coins. Collectors will note that the consignee has been quite fair in evaluating his material: we hope that some of these items will satisfy the appetite of each of our collector friends.
